Vancouver Symphony Field Trips

Our Elementary classes thoroughly enjoyed their fieldtrips to the Vancouver Symphony . They were treated to a concert called “An Instrumental Family” where the VSO was introduced as a musical community of distinct and diverse “instrument families”.

After the concert the Grade 3’s went to the Vancouver Aquarium to pick up their worms for a vermicompost bin

The Grades 1’s and 2’s dropped off all the food collected at Christmas time to the SHARE food bank.

A great big thank you to all our parent drivers. You help make our fieldtrips possible. Remember to keep your parking receipts so we may reimburse you.

February 23rd Professional Day

The staff was treated to a fun-filled day of activities with Mr. Stancliffe and Ms. Ward on our last Professional Day. Mr. Stancliffe gave us a class on speed reading and Native American basket weaving. Ms. Ward shared her philosophy and objectives for her art classes and gave staff the opportunity to create their own work of art. Keep an eye out around school for some teacher masterpieces and maybe a Native American basket or two!
