## Class Photos Monday

Individual class photos and a school panoramic photo will be taken on the morning of Monday, May 14th. Uniforms are required to be worn.

Afternoon Preschool children will start their day at 11:15 a.m. on Monday, May 14th so they can be included in the school photos. The children will be dismissed at 2:30 p.m. and will require a lunch to eat here at school.

## Preschool Gardening

Our Preschool students have started pulling weeds in our garden, preparing to plant some bedding plants. Their teachers would love to have a group of parents come in to help with the rest of the weeding. Please speak to Ms. Fiona or Ms. Jinah if you are interested in volunteering.

## Upper Elementary Recycling

Our Upper Elementary students are planning a special field trip for the end of the year. In order to raise funds for the outing, they are collecting pop cans and juice boxes for recycling. If any parent is willing to take a couple of students along with the recycling to the depot please see

Ms. Lawrie.

Thank you!

On the morning of June 1st, we would love to have some parent volunteers to help the teachers in the classrooms. Hopefully we will have enough parents to rotate in shifts so that everyone can enjoy the morning. Please see Kaetlon in the office if you are able to help.

## Spring Fling Concert

Our Spring Fling concert was entertaining, the food was delicious and the company superb!

Thank you again to all of our talented performers, our teachers, and parents who donated food and helped clean up after the concert.
