## International Day

Our International Day celebration is just one week away! The opening ceremony will begin in the gym at 8:45 a.m. sharp so please ensure that your children arrive to school with enough time to settle into their class. All students need to come dressed in costume (see below) and bring their school uniform to change into after lunch. Each classroom will be serving an assortment of ethnic foods throughout the morning but children will still need to bring a full lunch to school.

### Preschool (Korea)

- Please send any donations or loans of items that could be used in their classroom to enhance their studies.
- Students should come dressed in a traditional Korean costume (if they have one) or they can come dressed in yellow (this is how children in Korea dress for field trips).
- Please bring Korean food (something that can be eaten easily) for the class to share with the school on International Day.

### Extended Day (Italy)

- Students need to come dressed in an outfit from modern or ancient Italy.
- Please let Ms. Anita or Mrs. Lee know if you are able to help with cooking next week and if you are able to contribute white twin size bed sheets.

### Elementary (Greece)

- Students need to put together a Greek outfit (modern or ancient Greece) and come dressed in it in the morning.

### Senior Elementary (Brazil)

- Students need to come dressed in summer wear.
