Parent/Teacher Interviews

Our first parent/teacher interviews for all levels are scheduled for the end of November and the first week of December. Elementary reports will be sent home before the interviews.

These first interviews are an opportunity for the teachers to share how your child is settling into their new school year and share specifics about their growth and learning in all areas of development. It is also an opportunity for the parents to share pertinent information about the home environment /family dynamics and ask any questions they have of the teachers. The goal is to ensure that home and school are working in partnership to provide the best possible learning experience for your child each day.

Interview sign up sheets will be posted for each classroom shortly.
