Student Portraits

The students had their individual pictures taken on Tuesday. The LifeTouch photographers left a note that said our children "are amazing!!"

The proofs will be delivered to school in approximately two weeks. The proofs will be sent home with your children and you will have five days to view them and decide if you would like to purchase a photo package.

Picture retakes will be at school on Thursday, November 1.

Extra Curricular Programs

Our Fall extra curricular programs will be starting the week of October 22 and run until the week before Christmas break.

We are offering Kinderdance for children ages 3 to 6 years on Mondays from 3:30 to 4:30 p.m. This program blends the physical skills of creative movement, gymnastics, fitness and dance with educational concepts. The cost will be \$100.00 per child for 8 weeks.

This year we have decided to form a sports club for all children to enjoy on Tuesday afternoons from 3:15 to 4:30 p.m. Children will have fun playing all types of sports while learning basic skills and practicing teamwork and healthy sportsmanship. We are happy to welcome back Jonathan Milad as our sports club leader. Jonathan is currently in university and has played soccer all his life. He enjoys sharing his talents and love of sports with our students.

The club will start on October 23 and will cost \$50.00 per child.

If you would like to register your child for either program, please complete the registration form that was sent home with your child and return it along with payment to your child's teacher on Monday, October 15.

Curriculum Evening

Our first parent curriculum evening is scheduled for Thursday, October 18 from 6:00 to 8:30 p.m.

This evening will be an opportunity for parents to work with Montessori materials and learn why they are important to your child's development and how they help lay a strong foundation for all future learning.

As part of our practical life program, the students are busy baking goodies for the parents to enjoy during the evening. The smells coming out of the kitchen are delightful! The children are very excited to know that their parents will be enjoying food that they have prepared.

Childcare will be available here at school on a first come, first serve basis. Please refer to the curriculum evening invitation for more details and return the R.S.V.P. by Monday, October 15.

We look forward to seeing everyone on Thursday evening!

Family Photo Fundraiser

Excalibur Photography will be at our school on Wednesday evening, November 7, to take family photographs. Excalibur Photography has generously offered to give 100% of the session fees to our school and provide a complimentary 8x10 coloured photo for each family that books a session!

The session fee is only \$15.00 and each family will have the opportunity to have several different poses taken. Proofs will be sent home about 10 working days after the photo sessions and parents will have the choice of purchasing a photo package or just choosing their free 8x10 photo!

Please refer to the Family Photo Night flyer which will be sent home on Monday for more details.

Thank you for your support!

We hope you enjoy the sunny weekend!

January 2008 Enrollments

New families have been touring our school and a number of them are interested in registering their children for January 2008.

We have room for students in all of our classes, especially in our Daycare and Preschool. If you know of a family that may be interested, suggest that they come for a tour of our school. Tours give them an opportunity to see our school grounds and see our students in their classes, hear more about our program and ask any questions that they may have.

Interested parents are also welcome to come to our Curriculum evening (we already have some interest from new families) and the entire family can come to our Fall Festival.

We know that our school has much to offer and we are excited to welcome more families into our community!

*There is a harmony
In autumn, and a lustre in its sky,
Which through the summer is not heard or
seen,
As if it could not be, as if it had not been!*

Percy Bysshe Shelley (1792—1822)
